"Fix Your Mortgage" Foreclosure Prevention Event

June 5--**Neighborhood Housing Services of Chicago** is hosting the FREE "**Fix Your Mortgage**" **Foreclosure Prevention Event** At Curie Metro High School on Chicago's South Side (9 S. Archer Ave, Chicago, IL 60632) from 9:30am to 2pm.

The "Fix Your Mortgage" foreclosure prevention event offers free, on-site loan modification application assistance and information to qualified, at-risk homeowners. This is the third of six such events to be held in 2010 and co-sponsored by the City of Chicago (<http://www.cityofchicago.org>), Neighborhood Housing Services of Chicago (www.nhschicago.org) and Attorneys' Title Guaranty Fund (www.atgf.com).

At the June 5th event, more than 100 volunteer real estate attorneys and HUD-certified counselors will review, FOR FREE, homeowners' paperwork and determine if they qualify for assistance under the "Homeowner Affordability and Stability Plan" -- known as "Making Home Affordable" -- <http://www.makinghomeaffordable.gov>. If so, an application will be prepared on-site and submitted to the loan servicer THAT DAY via the Internet.

The event is intended to help Chicago homeowners at risk of foreclosure determine if they may be eligible for help under the federal government's foreclosure assistance plan. If so, they will receive assistance completing and submitting their online loan modification applications to their lenders.

For more information, visit www.nhschicago.org or contact Wanda Collins at wcollins@nhschicago.org or call (773) 329-4185.
