

## ATG hires Chris Burhans as SVP and CIO

November 10, 2017 | [Staff Writer](#)

Chris Burhans has joined Attorneys' Title Guaranty Fund, Inc. As a senior vice president and chief information officer.

Burhans has more than 12 years of experience in the industry and has worked in developing and managing everything from systems security to hardware components, mobile apps and automated sales solutions. Previously he has worked in various roles at Fidelity National Title and Bancsec.

Burhans holds a bachelor's degree in networking and infrastructure from St. Ambrose University in Davenport, Iowa, and a master of science in computer information security from DePaul University in Chicago. His technical certifications include Certified Information Systems Security Professional (CISSP), Certified Ethical Hacker (C|EH), CompTia Security+ (Sec+), and Microsoft Certified Professional (MCP).
