- Underwriting co-examination and rate approval needed prior to issuance of Commitments in excess
 of \$3,000,000. Proposed Commitments in excess of \$3,000,000 require underwriting co-examination and rate

However, in situations where an Owner's and Loan Policy or Policies will be issued simultaneously, the premium shall be based on the Original Policy Rate, Reissue Rate, and Simultaneous Issue Rate, as applicable. If the construction loan amount exceeds the amount of the Owner's policy, the Reissue Rate shall apply to the increase in the Owner's Policy at the premium tier of the current Owner's Policy. The Loan Policy premium shall be calculated as stated above.

RATES AND RULES FILING: STATE OF WISCONSIN

E. Residential New Construction Refinance Rate

A Residential New Construction Refinance Rate should be used when a construction loan is being refinanced into permanent financing with the same lender that financed the construction loan. A new Policy may be issued by the same issuing office to insure the Mortgage securing the permanent financing for a premium of \$325 up to the construction loan amount. If the permanent financing exceeds the amount of the construction loan, additional insurance will be provided at the Reissue Rate set forth in Section II. paragraph B.

G. Simultaneous Issue Rate

1. Simultaneous Issue

The Simultaneous Rate shall apply to one or more Loan or Leasehold Loan Policies issued concurrently with an Owner's Policy, Leasehold Owner's, or Loan Policy covering the same Land and bearing the same Effective Date, provided the mortgage lien executed by the mortgagor is for the lien on one or more mortgages executed by the Insured on the policy and recorded simultaneously with the insured instruments.

The rate for the Loan Policy or Loan Policies simultaneously issued will be \$450 for a Residential Property and \$750 for Non-Residential Property. The Simultaneous Rate shall apply up to an Amount of Insurance not in excess of the Owner's Policy, or the Ioan amount insuring a senior lien if no Owner's Policy is being issued. If the Loan or Leasehold Policy or the cumulative amount of multiple policies exceeds the amount of the Owner's Policy, the charge for such additional insurance shall be at the Original Policy Rate as set forth in Section II, paragraph A.

In all cases, the Owner's Policy, if issued, shall be for the full market value of the premises. The title must be certified down to a date, which will be the filing for record of all instruments creating the interest(s) being insured. The Owner's Policy must show any mortgage as an exception under Schedule B.

RATES AND RULES FILING: STATE OF WISCONSIN

2. Non-Simultaneous Issue Loan Policy for Non-Residential Loans

Non-Simultaneous Issue Loan Policy for Non-Residential Loans is charged when a Loan or Leasehold Loan Policy is to be issued on non-residential properties when the Mortgage or Mortgages will not be recorded simultaneously with the instrument of conveyance to be insured. The Mortgage or Mortgages to be insured must be recorded no later than 120 days from the date of recordation of the instrument of conveyance to be insured. This rate is applicable only when the same office is issuing both the Owner's or Leasehold Owner's Policy, and the Loan or Leasehold Loan Policy, written on the same underwriter's paper. The cumulative rate for the Loan Policy or Policies is to be charged at 35% of the Original Rate (reissue credit is not available) charged for the Owner's or Leasehold Owner's Policy, so long as the cumulative rate does not exceed the amount of the Owner's or Leasehold Owner's Policy. If the Loan or Leasehold Loan Policy will exceed the amount of the Owner's Policy, the rate shall be the Original Rate or Reissue Rate, as applicable. The minimum charge for the Loan of Leasehold Loan Policy is \$500. If more than one Loan Policy is to be issued, the rate for additional policies shall be calculated at the Simultaneous Issue Rate. If the cumulative amount of the Loan Policies exceeds the Owner's Policy, the additional insurance shall be charged at the Original Rate or Reissue Rate, as applicable, in addition to the Simultaneous Issue Rate. Endorsements requested in connection with this product shall be charged at 50% of the Original Rate.

H. Residential Bifurcated Owner's and Loan Policy Rate

A Bifurcated Owner's and Loan Policy Rate shall be charged when a buy/sell transaction is bifurcated. This occurs when the Owner's Policy and Loan Policy are issued by different underwriters authorized to issue title insurance in Wisconsin. The Bifurcated Loan Policy rate is only available for residential Purchase Money Mortgages. Non-residential Loan Policies are charged at the Original Policy Rate as set forth in Section II, paragraph A, or at the Reissue Rate, if applicable.

1. Owner's Policy

ATG, issuing an Owner's Policy in a bifurcated transaction, shall charge a title premium at the Original Policy Rate as set forth in Section II, paragraph A, or at the Reissue Rate, if applicable.

2. Loan Policy

ATG, issuing a Loan Policy in a bifurcated transaction for Residential Property, shall charge a title premium of \$450 for up to \$1,000,000 in liability. An additional premium of \$1 per \$1,000 is charged for any policy in excess of \$1,000,000. The Reissue Rate is not applicable to this rate. Any additional Loan Policies to be issued, not exceeding the amount of the purchase, shall be issued in accordance with the Simultaneous Issue Rate. If the aggregate liability of the Loan Policies exceeds the amount of the purchase, Original Policy Rates or Reissue Rates, when applicable, shall apply on the excess liability.

I. ALTA Residential Limited Coverage Junior Loan Policy Rate

ATG, issuing an ALTA Residential Limited Coverage Junior Loan Policy, shall insure junior loans, such as home equity lines of credit and second mortgages, on Residential property only. The Reissue Rate may not be used on an ALTA Residential Limited Liability Junior Loan Policy. This policy may not be used to insure a junior mortgage that is a Purchase Money Mortgage or to insure a mortgage on an otherwise lien-free property. The rate shall be \$175 for the first \$100,000 of insurance and \$1 per \$1,000 thereafter.

J. Master Owner's Policy and Take-Off Policy Rate

1. Master Owner's Policy

ATG, issuing a Master Owner's Policy, shall charge a title premium at the Original Policy Rate as set forth in Section II, paragraph A or the Reissue Rate, if applicable. The Amount of Insurance may be increased by endorsement if the title remains insurable. The additional insurance shall be billed based on the Reissue Rate, beginning at the Amount of Insurance that was previously billed to or on behalf of the Insured. Take-off Policies issued from the increased Master Policy shall be billed at the current take-off policy rate of \$200 for residential, and \$400 for non-residential.

The Owner's Master Policy must be issued prior to any Take-Off Policies or commitments on any portion of the real estate and Master Policy must contain the following language:

It is stipulated that any Owner's, Loan, Leasehold, Take-Off Policies, or commitments that are issued from this Master Policy shall result in a deduction in the Amount of Insurance for this Master Policy. Liability under this Master Policy will be reduced by the cumulative amount of such Take-Off Policies.

RATES AND RULES FILING: STATE OF WISCONSIN

2. Take-Off Policy

a. A "Take-Off" Policy is an Owner's Policy issued on the sale of a parcel of real estate or condominium unit already issued under a Master Policy underwritten by ATG. The rate for the Take-Off Policy is \$200 for residential and \$400 for non-residential. Master Policies that have been issued with a Policy Date that precedes the date of this filing, shall continue to use the previously filed rate range of \$175.00 to \$300.00 for Take-Off Policies until the original Master Policy has been reduced to zero.

K. Charitable Non-Profit Organization Rate

If the proposed grantor or proposed Insured qualifies as a 501(c)(3) organization under the Internal Revenue Code, the premium charged may be for the amount due ATG under the underwriting split. ATG shall receive its underwriting fees equal to the underwriting fee it would have received. Agent approval must be obtained from the ATG Wisconsin Managing Attorney before the commitment and/or policy can be issued by the agent.

L. Survey Clearance on Non-Residential Loan Policies up to \$5,000,000

When a lender requests survey clearance, without a survey, on a non-residential Loan Policy, the survey exceptions may be deleted without a survey for a premium payment of \$500. This charge applies only to non-residential loans up to \$5,000,000 of insured risk. Survey clearance without a survey is not available if the property is vacant land or new construction

M. ALTA 9 or 9.3 Issuance and Survey Clearance on Non-Residential Loan Policies up to \$5,000,000 of Insured Risk

When a lender requests survey clearance without a survey, and requests issuance of either the ALTA 9 or 9.3 Endorsement on a non-residential Loan Policy, the standard survey exceptions may be deleted and the appropriate endorsement issued upon payment of \$600. This charge applies only to non-residential loans up to \$5,000,000 of insured risk.

SECTION III: MISCELLANEOUS CHARGES

ATG retains the right to charge additional amounts should any additional parcel or chain search require an unusual amount of work, as determined by the ATG.

B. Court Proceedings
