### G. Simultaneous Issue Rate

#### 1. Simultaneous Issue

The Simultaneous Rate shall apply to one or more Loan or Leasehold Loan Policies issued concurrently with an Owner's Policy, Leasehold Owner's, or Loan Policy covering the same Land and bearing the same Effective Date, provided the mortgage lien executed by the mortgagor is for the lien on one or more mortgages executed by the Insured on the policy and recorded simultaneously with the insured instruments.

The rate for the Loan Policy or Loan Policies simultaneously issued will be \$500 for a Residential Property and \$800 for Non-Residential Property. The Simultaneous Rate shall apply up to an Amount of Insurance not in excess of the Owner's Policy, or the loan amount insuring a senior lien if no Owner's Policy is being issued. If the Loan or Leasehold Policy or the cumulative amount of multiple policies exceeds the amount of the Owner's Policy, the charge for such additional insurance shall be at the Original Policy Rate as set forth in Section II, paragraph A.

**RATES AND RULES FILING: STATE OF WISCONSIN**

In all cases, the Owner's Policy, if issued, shall be for the full market value of the premises. The title must be certified down to a date, which will be the filing for record of all instruments creating the interest(s) being insured. The Owner's Policy must show any mortgage as an exception under Schedule B.

**2. Non-Simultaneous Issue Loan Policy for Non-Residential Loans**

Non-Simultaneous Issue Loan Policy for Non-Residential Loans is charged when a Loan or Leasehold Loan Policy is to be issued on non-residential properties when the Mortgage or Mortgages will not be recorded simultaneously with the instrument of conveyance to be insured. The Mortgage or Mortgages to be insured must be recorded no later than 90 days from the date of recordation of the instrument of conveyance to be insured. This rate is applicable only when the same office is issuing both the Owner's or Leasehold Owner's Policy, and the Loan or Leasehold Loan Policy, written on the same underwriter's paper. The cumulative rate for the Loan Policy or Policies is to be charged at 35% of the Original Rate (reissue credit is not available) charged for the Owner's or Leasehold Owner's Policy, so long as the cumulative rate does not exceed the amount of the Owner's or Leasehold Owner's Policy. If the Loan or Leasehold Loan Policy exceeds the amount of the Owner's Policy, the rate shall be the Original Rate or Reissue Rate, as applicable. The minimum charge for the Loan or Leasehold Loan Policy is \$500. If more than one Loan Policy is to be issued, the rate for additional policies shall be calculated at the Simultaneous Issue Rate. If the cumulative amount of the Loan Policies exceeds the Owner's Policy, the additional insurance shall be charged at the Original Rate or Reissue Rate, as applicable, in addition to the Simultaneous Issue Rate. Endorsements requested in connection with this product shall be charged at 50% of the Original Rate.

**H. Residential Bifurcated Owner's and Loan Policy Rate**

A Bifurcated Owner's and Loan Policy Rate shall be charged when a buy/sell transaction is bifurcated. This occurs when the Owner's Policy and Loan Policy are issued by different underwriters authorized to issue title insurance in Wisconsin. Non-residential Loan Policies are charged at the Original Policy Rate as set forth in Section II, paragraph A, or at the Reissue Rate, if applicable.

**1. Owner's Policy**

Advocus, issuing an Owner's Policy in a bifurcated transaction, shall charge a title premium at the Original Policy Rate as set forth in Section II, paragraph A, or at the Reissue Rate, if applicable.

Any additional Loan Policies to be issued, not exceeding the amount of the purchase, shall be issued in accordance with the Simultaneous Issue Rate. If the aggregate liability of the Loan Policies exceeds the amount of the purchase, Original Policy Rates or Reissue Rates, when applicable, shall apply on the excess liability.

It must be issued prior to the issuance of any Take-Off policy or commitment and must contain the following language:

*It is stipulated that any Owner's, Loan, Leasehold, Take-Off Policies, or commitments that are issued from this Master Policy shall result in a deduction in the Amount of Insurance for this Master Policy. **2. Take-Off Policy**

A "Take-Off" Policy is issued on the sale of a condominium unit or subdivision lot that was previously insured by a Master Owner's Policy underwritten by Advocus. Take-Off Policies cannot be issued for master policies issued by any other underwriter. The rate for the Take-Off Policy is \$250 for residential and \$500 for non-residential. Master Policies that have a Policy effective date that precedes the date of this filing, shall continue to use the previously filed rate of \$200 for residential, and \$400 for non-residential and this rate will remain until the original Master Policy has been reduced to zero.

**K. Survey Clearance on Non-Residential Loan Policies up to \$5,000,000**

When a lender requests survey clearance, without a survey, on a non-residential Loan Policy, the survey exceptions may be deleted without a survey for a premium payment of \$600. This charge applies only to non-residential loans up to \$5,000,000 of insured risk.
