RE: 2005 Wisconsin ATG REsource™ Software Training

ATG is pleased to announce its March 2005 training session for our title and closing software, *ATG REsource*. ATG REsource is already changing the way many of you issue title insurance, simplifying the process while providing your offices a more efficient method of keeping track of your title insurance business. If you aren't a REsource user, this is the time to register. We will offer the following training program in 2005:

Wisconsin Sessions (WS)	
8:30 – 9:00 a.m.	Check-in/Coffee
9:00 a.m. – 3:00 p.m. <i>(Lunch included)</i>	Title Production, Order Entry, Preparing Commitments and Policies, Closing, Preparing HUD-1 Statements and Checks

New Users: we will send you the Installation Questionnaire and License Agreement (must be signed and returned to ATG prior to training) once you've registered. Please complete and return to us as soon as possible.

Click the ATG REsource logo on www.atgf.com to view our current calendar and register on-line (or fill out and fax the attached form to 217.403.7430). Questions? Contact Anne Blood or Guy Brittain at 800.788.8989.
