GUARANTY TRUST COMPANY is a full service, independent trust company that can serve all your clients' trust needs.

Over the past several years, trust officers and even whole trust departments have merged, moved, or otherwise been eliminated from the local scene, leaving many consumers without options for sound financial guidance from a local professional. Attorneys' Title Guaranty Fund, Inc. (ATG®), a lawyer-service organization, formed Guaranty Trust to fill a very special need. Lawyers who have long served as trusted advisers to their clients can now serve those clients in a whole new way: Investment planning through Guaranty Trust.
