

ATG® LEAD PAINT BROCHURE OFFER

Federal law now requires that anyone buying, selling, renting, or renovating any housing built before 1978 be provided information on lead paint, its hazards, and what they can do about it.

To help your clients meet these new requirements, ATG is offering its members the Environmental Protection

Agency's brochure, *Protect Your Family from Lead in Your Home*. With space on the back panel for your label or stamp, they make excellent marketing tools. These brochures sell for \$7.00 per pack of 50. Call 800.252.5206, ext. 2136, or e-mail brochure@atgf.com with any questions.
